WORK EXPERIENCE

Research Assistant

Aug 2026 - Present

DKU Center for Teaching and Learning | Kunshan, China (Onsite)

- Conduct a mixed-methods study evaluating RADIKAL, an AI-powered Chinese character learning platform, with DKU students in 100- and 200-level Chinese courses.
- Analyze how AI-supported personalization, mnemonic scaffolding, and gamification influence learning and self-regulated learning.
- Design and administer pre/post-tests, surveys, reflection journals, and interviews to assess learning outcomes, engagement, and student experience.
- Collaborate with faculty and student developers to translate research findings into improvements in the platform and Chinese language pedagogy.

Program Manager

Jul 2025 - Present

EduNomad LLC | Ulaanbaatar, Mongolia (Remote)

- Oversee a team of 5 university application counselors supporting 30 students, reviewing counselor reports and monitoring student progress and application outcomes
- Develop lesson plans, counseling frameworks, and program strategies to improve the quality and consistency of student guidance

AI Web Development Intern

Mar 2025 - June 2026

GBCS Group LTD SkyIT | Calgary, Canada (Remote)

- Utilizing generative AI to create custom assets, architect and build responsive, high-performance websites primarily on Hostinger's WordPress AI Builder.
- Conduct rigorous testing to ensure the output meets professional standards of UX/UI
- Manage and optimize the WordPress ecosystem, including plugin integration, theme configuration, and back-end settings to ensure a seamless live environment

University Application Counselor | Ulaanbaatar, Mongolia (Remote)

Jun 2025 - Jun 2026

EduNomad LLC & Ger Community | Ulaanbaatar, Mongolia (Fully remote, part-time)

- Guided over 30 students to apply for international bachelor's programs, providing personalized counseling on university selection, application essays, and admissions strategy

Research Assistant

Jun 2025 - May 2026

DKU Innovation and Entrepreneurship Initiative | Kunshan, China (Onsite)

- Collect data on students' AI-generated multimedia content
- Analyze student perceptions of AI's impact on human creativity and authorship

Production & Marketing Intern

Jun 2024 - Jul 2024

Viral Agency | Ulaanbaatar, Mongolia (onsite, part-time)

- Produced 5 digital content pieces for major Mongolian corporations using Adobe Premiere Pro
- Assisted in brainstorming and drafting marketing campaign proposals for major projects

Student Website Developer & Graphic Designer

Aug 2024 - Dec 2025

DKU Intersections Club | Kunshan, China (Onsite)

- Developed and maintained club website using WordPress, updating 20+ pages with student articles and multimedia content
- Organized campus-wide showcases to attract writers and readers
- Designed promotional posters and digital content using Canva and Adobe Illustrator

Assistant Mathematics Teacher

Jun 2022 - Jul 2025

AKOK Academy | Ulaanbaatar, Mongolia (Onsite)

- Taught high-school-level mathematics to nearly 150 middle school students for exam preparation
- Administered monthly public mock exams for 5th and 8th graders
- Assisted in marketing through phone outreach to prospective students and families

Senior Sports Complex Associate

Aug 2023 - Dec 2024

DKU Athletics Department | Kunshan, China (Onsite)

- Managed 3-4 associates per shift to ensure safe environments and quality service
- Assigned and recorded shifts for over 40 fellow associates to ensure efficient logistics
- Communicated with the department head and took meeting minutes weekly

PROJECTS

RADIKAL: AI-Powered Chinese Character Learning App (co-founder)

Apr 2025 - Present

- Secured ¥15,000 CNY in seed funding through competitive pitch presentation
- Designed and developed a cross-platform app using React Native with a Supabase backend
- Integrated AI features for personalized learning paths and story-making to enhance user engagement
- Conducted user testing with 100+ students, iterating on feedback to improve app functionality and design

Challo: Community Building & Wellbeing Initiative (founder)

Aug 2025 - Present

- Selected as Millennium Fellow from 60,000+ applicants worldwide through United Nations Academic Impact and Millennium Campus Network civic leadership program
- Built interactive prototypes using Figma and React Native for a digital wellness platform
- Engaged in webinars with UN leaders to develop project management and social impact strategies

Upick: Recommendation app for Mongolia (co-founder)

Aug 2026 - Present

- Co-founded and led development of a recommendation platform for discovering, evaluating, and reviewing local businesses and services in Mongolia.
- Designed the product architecture, user experience, and core recommendation flows, translating user research into technical and product decisions.
- Led the product from concept to functional prototype, coordinating development and iterating on features based on user feedback.

LEADERSHIP & INVOLVEMENT

Creative/Marketing team member

Feb 2026 - May 2026

DKU Computer Science club | Kunshan, China

- Assisted in organizing and planning HackDKU 2026, a campus-wide, 7-day hackathon
- Merch and poster design on Canva and Figma; video editing on CapCut.

President

Aug 2024 - May 2025

DKU Mongolian Students' Association | Kunshan, China

- Organized 8 monthly events with over 50+ participants each to promote Mongolian culture.
- Collaborated with clubs to facilitate major campus events.

Graphic Designer

Aug 2023 - May 2024

DKU iOS Club by University-Corporation Innovation Lab @Apple | Kunshan, China

- Designed over 20 posters for advertisements, events, and presentations.
- Organized 4 creative challenges and workshops involving Apple, such as Swift workshops, guest talks, and a hackathon.

Varsity team member

Aug 2023 - Dec 2024

DKU Women's Volleyball varsity team | Kunshan, China

VOLUNTEER WORKS
