SUMMARY

Interdisciplinary senior-year Computation & Design student at Duke Kunshan University specializing in human-centered technology. Product-driven developer adept at taking complex user workflows and simplifying them into intuitive, high-impact digital solutions through structured discovery, user research, and iterative design. Proven track record in leading end-to-end product development and scalable system architecture. Skilled in Python, C++, and Java, with a commitment to delivering impactful technology.

EDUCATION

Duke Kunshan University (DKU) & Duke University Dual Degree May 2027
B.S. in Computation & Design; Computer Science Track (DKU) Kunshan, China
B.A. in Interdisciplinary Studies (Duke University) Durham, U.S.

- GPA: 3.65/4.0; Honors: Dean's List (2 semesters).
- Relevant Coursework: Introduction to Programming and Data Structures, Digital Design, Multivariable Calculus, Creativity and Entrepreneurship, Computer Graphics, Modelling and Predicting, Interaction and Physical Computing, Data Visualization and Information Aesthetics; Design and Analysis of Algorithms.

PROFESSIONAL EXPERIENCE

GBCS Group LTD SkyIT Mar 2025 - Jun 2026
AI Web Development Intern Calgary, Canada (Remote)

- Architected and deployed a responsive company introduction website on Hostinger's WordPress, executing mobile and tablet orientation fixes and visual optimization to ensure cross-device consistency.
- Completed continuous UI/UX reviews in direct collaboration with company executive leadership and iterative refinements to eliminate flaws and errors and improve delivery of core messages.

EduNomad LLC Jul 2025 - Present
Program Manager & Counselor Ulaanbaatar, Mongolia (Remote)

- Architected core operational frameworks, tracking systems, and counseling roadmaps for 5 counselors and 30+ students, standardizing reporting workflows and accelerating program execution.
- Guided 30+ students 1-on-1 through university selection, application essays, and personalized admissions strategy for international bachelor's programs.

Viral Agency Jun 2024 - Jul 2024
Production & Marketing Intern Ulaanbaatar, Mongolia

- Produced 4 short product advertisements, and company introduction reels, and a YouTube video for major Mongolian corporations such as APU Company, Maks Group, and UNICEF Mongolia, using Adobe Premiere Pro.
- Assisted in brainstorming and drafting marketing campaign proposals for major client projects.

DKU Intersections Journal Aug 2024 - Dec 2025
Student Website Developer & Graphic Designer Kunshan, China

- Developed and maintained the website using WordPress, uploading 30+ student articles.
- Organized 6 campus-wide showcases to attract writers and readers, and designed 30+ promotional posters using Canva and Adobe Illustrator.

AKOK Academy Jun 2022 - Jul 2025
Assistant Mathematics Teacher Ulaanbaatar, Mongolia

- Taught high-school-level mathematics to nearly 150 middle school students for exam preparation and proctored 10+ monthly public mock exams with over 100 students each time.
- Assisted in marketing and student acquisition through structured phone outreach to prospective families.

DKU Athletics Department Aug 2023 - Dec 2024
Senior Sports Complex Associate Kunshan, China

- Managed 3-4 associates per shift to ensure safe operations and quality service; scheduled and logged shifts for over 40 associates to optimize shift logistics; handled conflicts and reported property damage and malfunctions.

PROJECTS

RADIKAL: AI-Powered Chinese Character Learning App (Co-Founder) Apr 2025 - Present

- Secured ¥15,000 CNY seed funding; designed a cross-platform React Native/Supabase app featuring AI-personalized learning methods and gamified learning features, reaching 200+ users.
- Conducted iterative user research and usability testing across 120+ students to optimize feature design, UI/UX, and user engagement.

Wavezz (formerly Challos): Community Building & Wellbeing Initiative (Founder) Aug 2025 - Present

- Selected as Millennium Fellow (top 4%+ globally from 60,000+ applicants) by UN Academic Impact & MCN; completed 10 leadership sessions on project management, budgeting, and strategic goal setting.

- Conducted problem-discovery interviews with 20 students, market analysis of 15 productivity apps, and translated key user pain points into 6 core features for the beta launch of a React Native web app for digital community engagement and personal productivity.

Upick: Local Recommendation Platform for Mongolia (Co-Founder)

Aug 2026 - Present

- Inspired by recommendation apps, defined product vision and architecture to solve personal frustrations with finding authentic local places in Mongolia via uncorrupted, organic reviews.
- Translated qualitative user research into technical engineering requirements, coordinating cross-functional development.

ThinkInsideTheBox: AI-Driven Ideation Platform (Founder)

Sep 2026 - Present

- Defined end-to-end product vision and designed a user-centric, constraint-based ideation framework to guide users from initial concept generation to structured startup workflows.
- Architected AI-assisted planning features to transform creative concepts into viable business models.

RESEARCH EXPERIENCE

DKU Center for Teaching and Learning

Aug 2026 - Present

Research Assistant

Kunshan, China

- Conducting an ongoing mixed-methods study evaluating RADIKAL across 100- and 200-level Chinese courses to measure the performance of self-paced learning, mnemonic scaffolding, and gamification in the platform.
- Synthesize quantitative pre/post-test metrics, survey responses, and user interview data to translate findings into product improvements.

DKU Innovation and Entrepreneurship Initiative

Jun 2025 - May 2026

Research Assistant

Kunshan, China

- Collected 100+ rows of qualitative data on student-generated AI multimedia content to evaluate user perceptions of AI on human creativity and authorship.

LEADERSHIP & SERVICE

DKU Mongolian Students' Association

Aug 2024 - May 2025

President

Kunshan, China

- Organized 8 monthly cultural events with 50+ participants each to promote Mongolian heritage, collaborating across campus clubs to facilitate major events.

DKU Computer Science Club

Feb 2026 - May 2026

Creative/Marketing Team Member

Kunshan, China

- Assisted in organizing and planning HackDKU 2026 (7-day campuswide hackathon); designed merchandise, posters, and video content via Canva, Figma, and CapCut.

DKU iOS Club (University-Corporation Innovation Lab @Apple)

Aug 2023 - May 2024

Graphic Designer

Kunshan, China

- Designed 20+ promotional posters for events and presentations; organized 4 creative challenges and Apple workshops, including Swift technical sessions and mini hackathons.

DKU Women's Volleyball Varsity Team

Aug 2023 - Dec 2024

Varsity Team Member

Kunshan, China

- Represented the university in athletic competitions, fostering teamwork, discipline, and execution under pressure.

DKU International Student Services

Dec 2023 - Present

Global Student Ambassador

Kunshan, China

- Guided 60+ prospective international students on admissions; organized 5 online and in-person onboarding sessions for incoming international freshmen.
